

# MAVS EDGE INTERNSHIP PROGRAM

*The University of Texas at Arlington's Economic Development through Guidance Education Program (EDGE) is a partnership opportunity with the goal of developing experiential learning opportunities for students. Through participation in this program, our employer partners receive specialized services including, program support, expanded marketing opportunities, and event discounts at no cost.*

## **Marketing and Branding Opportunities**

- Reach more than 5,000 students through UTA Career Development Center social media, Microsoft Teams Group, and our Student Email Distribution list.
- Appear in our weekly newsletter to campus internship coordinators and department staff.
- Add the organization's logo and URL to our partner web-page.
- See your student interns featured in social media spotlights and internship panels.
- Join us for virtual panel events, employer spotlights, and our Teams Talks series.
- All with no cost or quotas required!

## **Registration Fee Discounts**

- All Majors Job & Internship Fair, 20%
- Internship Programming Workshops, 25%

## **Program Development Services**

- Best practice resources include, posting templates, our resource guide, the Internship Supervisor's Handbook, and more
- Monitoring of your posting and low applicant notifications
- Participate in work readiness curriculum development
